**Youngsters create  
Native American crafts**

On Saturday, Feb 25 from 10 a.m. to 12 p.m., join ENC Naturalist Kathy to learn a little about how the indigenous people of Orange County lived before there were shopping centers and highways. Make string and practice your weaving, play some authentic Tongva games and try your hand at “hunting” with a rabbit stick. Listen to a legend and play some music using authentic Tongva instruments.

**Making music with  
Naturalist Kathy**

This program is for families with children in third grade or older. Cost: ENC members, \$5; non-members, \$8. Register via the website. The Environmental Nature Center is located at 1601 E. 16th St., Newport Beach. Registration is available at [encenter.org](http://encenter.org). For more information, call 949.645.8489.
