

Raindrops have fallen on our heads – have you been saving any of the water?

Join the Environmental Nature Center (ENC) on Feb 2 at 6 p.m. to learn about the importance of rainwater harvesting and the benefits of a rain barrel.

Cindy Berglund of Rain Barrels Intl. will show guests how to install a rain barrel, how to apply for the rebate and provide helpful water conservation tips.

Rain barrels are available for purchase in advance for \$65 + tax. Purchases must be made in advance by Feb 1. Visit www.rainbarrelsintl.com; under the EVENTS tab, click on Environmental Nature Center. Residents are eligible for a \$35 rebate from MWD per rain barrel (2 per household).

This event is free. For more information and to register, visit www.encycenter.org.

Environmental Nature Center is located at 1601 E. 16th St. Newport Beach
