Campers looking at ENC's collection of insects

The ENC has offered Summer Nature Camps since 1977. Nature Camp provides quality science education in an outdoor, hands-on setting. ENC Nature Camp emphasizes experiential learning. Campers spend most of their time outside, having a great time observing nature up close using tools like binoculars, magnifying lenses and microscopes. Science concepts are introduced in a fun environment, with crafts, games and hands-on activities.

This year's Summer Nature Camp at the Environmental Nature Center is for kids entering Kindergarten through 3rd grade in the Fall. The camp for kids entering 4th through 6th grade is being offered on Shellmaker Island and registration is through the City of Newport Beach.

Camp Dates: Session 3 on Amazing Animals runs July 10 -13; Session 4 on Oceans Around Us runs July 17 - 20; Session 5 on Mad Science runs July 24 - 27; Session 6 on Ancient Earth runs July 31 - August 3; Session 7 on Outdoor Survival runs August 7 - 10; and Session 8 on Plant Protectors! runs Aug. 14 -17. Cost: Full Day Nature Camp (9 a.m. - 3 p.m.) is \$265/student per session (\$238.50 for members). Half Day Nature Camp (9 a.m. - 1p.m.) is \$180/student per session (\$162 for members). Fees include all costs of instruction, laboratory and art supplies, and an organic cotton camp T-shirt.

To view the complete camp schedule, visit www.encycenter.org.

Environmental Nature Center is located at 1601 E. 16th St., Newport Beach.
