Have you always wanted to take advantage of the fabulous hiking trails Orange County has to offer, but don't know where to start? Wouldn't you love to go on a monthly naturalist-led hike, where you're given all kinds of helpful information about native plants and animals, as well as hiking tips?

The Environmental Nature Center's (ENC's) Mystery Treks Hiking Club is designed to do just that. Each month, they meet at the ENC for a mini seminar on a different hiking topic, then venture out to a fantastic hiking spot in OC and enjoy nature together.

This Saturday, Feb. 24, from 8 to 10:30 a.m., the topic will focus on staying hydrated and nourished.

To make the morning even more exciting, hiking destinations will be enshrouded in mystery, but you'll receive details upon registration. Hiking Club Members are members of the ENC and have paid an annual fee of \$78 entitling them to attend these monthly meetings at no cost. For more information on how you can become a member, visit www.encycenter.org.

For more information, email Lori: lori@encycenter.org.

Environmental Nature Center is located at 1601 E. 16th St., Newport Beach.
