Are you ready to save money on water and landscape maintenance? Whether your goal is to draw more butterflies or birds to your yard, save water, reduce pesticide use, or showcase color throughout the year, native plants can help.

Visit the Environmental Nature Center on Saturday, Nov. 10 from 9 a.m. - 4 p.m. to purchase native plants for your garden. ENC members receive a 10 percent discount.

Environmental Nature Center is located at 1601 E. 16th St., Newport Beach.
