ENC is now enrolling for Presidents' Week Nature Camp

The Environmental Nature Center (ENC) has offered nature camps since 1977. Providing quality science education in the outdoors, campers learn while adventuring.

This Presidents' Week, the ENC is offering nature camps for youngsters ages 3 - 6. Little Naturalist Camps (ages 3 - 5) is currently sold out, but there is still room available at Nature Adventure Camps for grades K - 6. Camp runs February 18 - 21 from 9 a.m. - 3 p.m. Half Day Camp runs from 9 a.m. - 1 p.m. and the fee is \$180. Full Day Camp runs from 9 a.m. - 3 p.m. and the fee is \$265. There is a 10 percent discount for ENC members.

Learning outside increases kids' ability to think creatively and improves problem-solving skills. Children who participate in outdoor education have increased enthusiasm for learning, improved academic performance and improved critical thinking.

Time spent outdoors also correlates with increased physical activity and fitness in children. Each day, ENC nature campers make crafts, play games and participate in hands-on age appropriate activities.
