Unique apparel and accessories at the Artisan Marketplace Wreaths Across America honors our veterans laid to rest

The holidays are here, and you have a chance to be a positive part of our local economy. Your friends and family will appreciate that you cared enough about them to think about our planet by supporting artisans when you purchase their unique gift.

Come spend the day outside in nature instead of a shopping mall. The \$2 entry fee donation goes directly to ENC's environmental education programs. Click [here](#) to see some of the artisans featured so far, and for more information.
