Shop ENC's Artisan Marketplace in person or online

This Sunday, Dec. 6 from 11 a.m.-4 p.m., visit the Environmental Nature Center (ENC) and shop for handmade and vintage gifts from 50 local artisans offering a variety of eco-friendly, sustainable products. Artisans will be selling items throughout the ENC parking lot, patio and along the trails (under canopies), rain or shine. You can also shop online, anytime day or night on December 5 and 6.

With the holidays upon us, you have the opportunity to be a positive part of our local economy. Your friends and family will appreciate that you cared enough about them to think about our planet by supporting local artisans when you purchase their unique gift.

ENC's Artisan Marketplace will offer a variety of unique handmade and vintage items that are eco-friendly, sustainable products Wreaths Across America honors our veterans laid to rest

Come spend the day outside in nature instead of a shopping mall. The \$2 entry fee donation goes directly to ENC's environmental education programs.

Vendors with the "in person and online" designation on the [Artisan Marketplace webpage](#) will be at the "in person" event but will also be donating a portion of their proceeds to the Center for online purchases made on December 5 and 6, so you can shop either way. You can [browse their shops now](#) and get your list started.

Vendors with the "online only" designation on the Artisan Marketplace webpage will not be at the "in person" event but will be donating a portion of their proceeds to the Center for online purchases made on December 5 and 6. Click on the images on the webpage to shop on December 5 and 6.

COVID Safety: The entire event will be held outside, with booths spaced apart more than usual. Masks are required for all staff, vendors and guests. Please remain physically distanced.

Environmental Nature Center is located at 1601 E. 16th St., Newport Beach.

DEB'S STORY
"Hoag was the only OC hospital with the Phase 1 clinical trial that saved my life."
